Subject: 2023-2024 Budget

Date: June 5, 2023

The 2023-2024 budget is submitted for your approval. This budget is once again based on the most current information and the best estimates. As a community funded district, local property taxes continue to be the driver of the budget and account for eighty percent of all revenue. Secured property tax growth is forecast to be seven percent which reflects the continued, positive residential and commercial assessed valuations that are within the district boundaries as well as Santa Clara County-wide. Statewide, the Local Control Funding Formula (LCFF) is at full implementation levels in 2023-2024 but does not add any revenue to the district's budget. MVLA continues to receive \$2.9 million in Minimum State Aid, which is the residual amount of former categorical dollars that were decreased by the "fair share" reduction in 2012-2013.

The MVLA Education Foundation is continuing their support of our students by providing an annual pledge of \$2,473,000. The District budget includes \$3.4 million in revenue from the City of Mountain View Shoreline Community Educational Enhancement Reserve, which is above the guaranteed minimum. The State Education Protection Account (Proposition 30) provides \$845,000 in annual revenue. Other state and federal revenue continue at similar levels to the prior year, adjusted by the state-calculated cost-of-living adjustment (COLA).

The May Revision of the Governor's budget includes a proposal to reduce the Arts, Music and Instructional Materials Discretionary Block Grant by 51% and to reduce the Learning Recovery Emergency Block Grant by 32%. The impact to MVLA would be a reduction of \$1.9 million in these one-time funds. The district has included these proposed reductions in the development of the 2023-2024 budget. The challenge is compounded by the fact the State has already provided most of these funds to school districts. Fortunately, MVLA has not spent all these funds and can set aside the potential reduction amount, but it does decrease some planned one-time expenditures. The final State budget will be approved in June. Any changes that impact MVLA will be reflected in the First Interim Budget Report.

General Fund expenditures reflect an adjustment in certificated and classified positions as a result of enrollment changes, an increase in Special Education services, and a focus by the District to support programs directed at increasing the academic performance of all students. Negotiations with employee associations in 2021-2022 resulted in an agreement for a 5.0% salary schedule increase in each of the 2021-2022, 2022-2023 and 2023-2024 school years. These increases are reflected in the planned expenditures for 2023-2024. Employer-paid pension costs for the California State Teachers' Retirement System (CalSTRS) remain steady at 19.1 percent, while the California Public Employees' Retirement System (CalPERS) costs continue to increase annually, with the required contribution for 2023-2024 being 26.68 percent. Lastly, one-time expenditures in salary, benefits, supplies, and services are included that offset various one-time state and federal grants, including COVID relief funds, Educator Effectiveness grant, and A-G Success grant.

This budget also includes the other funds, outside the General Fund, which are an integral part of the District's finances. During the 2015-16 school year, the state returned to directly funding Adult Education programs through the Adult Education Block Grant. MVLA will receive \$4.397 million in base funding for the 2023-2024 budget year. Additional Adult Education revenue comes from federal grants and fee-based programs.

The Cafeteria Fund no longer requires a General Fund contribution due to new State funding to support the mandated universal meals program. The Special Reserve Fund for Other Post-Employment Benefits (OPEB) has sufficient funds to cover the actuarial accrued liability as calculated in the most recent actuarial study of retiree health liabilities.

The Building Fund maintains a fund balance to cover a facility emergency. Measure E bond funds in the current budget year will primarily be expended on modernization and facility repair projects. The Capital Facilities Fund uses revenue collected from developer fees to pay debt service for the Alta Vista High School campus buildings and additional facilities throughout the district to accommodate enrollment growth.

The final component to the 2023-2024 budget is the multi-year projection. Included with this projection are the main assumptions that form the basis of the District's plan to meet its ongoing operational needs. Secured property tax growth is forecast at five percent in 2024-2025 and five percent in 2025-2026. Projected enrollment decline reduces certificated staff by two in 2024-2025 and by three in 2025-2026. The District includes a placeholder of \$400,000 to account for unknown cost increases to special education. Health and welfare increases are forecast at ten percent.

A legislative requirement of the 2023-2024 budget is to identify the dollar amount of reserves that are above the state-required three percent minimum. This calculation includes General Fund and Special Reserve Other (Fund 17) assigned and unassigned ending balances. There is an additional page of documentation that details this calculation and provides justification for the district's reserves which are based on Board Policy 3100.

We trust you find this Budget Report helpful in reviewing the financial state of the district and determining its ability to maintain fiscal stability into the future.
